

Summer Reading for Incoming First Grade

We recommend that your child read 15 to 20 minutes every day to help prepare for the fall. The more they read, the easier the transition will be. We encourage you to find a reading program through your local library, keep a reading log to track your child's progress. Keep it fun and foster a love of reading in your home.

Here are some books that we suggest:

Biscuit books

Clifford books

Henry and Mudge books

Dr. Seuss books

Any "Step Into Reading" leveled books

Frog and Toad books

Happy Reading!
