

EARLY CHILDHOOD EDUCATION

Tuition Credit Reward

**Your children are your future. Give them the best start in life.
St. Rita School!**

To reward parents for entrusting us with their children's education during these formative learning years, we are offering you an Early Childhood Education Tuition Credit Reward!

How the Tuition Credit Reward Works...

- A Pre-Kindergarten child who enters our Kindergarten program will receive a **\$300 tuition credit reward** for the current academic school year.
- A **current** Kindergarten student who enters our First Grade at St. Rita will receive a **\$400 tuition credit reward** for the current academic school year.

Uninterrupted educational time between our teachers and your child, during this most pivotal time in your child's educational journey is the ultimate goal of our Early Childhood Program here at St. Rita School.

This Tuition Credit will automatically be credited to your family's tuition account.

For your convenience this year we will begin the process to **re-enroll** all of our in-house families on **February 15, 2020**. This process will eliminate any work on your part in filling out another application packet for our current students.

Your **important part** in this new online registration policy is to let us know (by letter or email) before the **February 15** date that you do not intend to come back to St. Rita School in the Fall. On **March 2**, the process moves forward and your account on FACTS will be used to withdraw the registration fee of \$150.00 (each child non-refundable).

We realize this is a new process for all of our families. If you have any questions, please contact Carole Wenzel in the middle school office at cwenzel@stritaschool.com or call 440-248-1350 ext. 102.

Experience the St. Rita difference!
