

Summer Reading for an Incoming 2nd Grader

Dear Parents,

Here comes summer! The benefits of your child reading over the summer are immeasurable! As little as 6 appropriately grade leveled books will keep your child reading at his/her current level! Reading 8, or 10, or 20, may even help your child gain ground and return to school a more confident reader!

Therefore, the second grade teachers are requiring that each student entering into 2nd grade must:

1. Read for 15 minutes at least 20 days in June
Read for 15 minutes at least 20 days in July
Read for 15 minutes EVERY SINGLE day in August
Please record your summer reading on the "Reading Calendars" and turn them in to the teacher on the first day of school. The books listed below SHOULD be recorded on the reading calendars.

2. All students entering into 2nd grade must read the following book written by Cynthia Rylant:

Henry and Mudge, The First Book

3. All students entering into 2nd grade must read the following book written by Doreen Cronin:

Diary of a Worm

4. Finally, all students entering into 2nd grade must read ANY nonfiction book about dogs. A nonfiction book is a book with real facts. You may choose a book with lots of different dogs or a book about one specific dog. Some examples are:

Dogs by Seymour Simon
Everything Dogs by Marty Crisp
Bulldogs by Tammy Gagne

We look forward to reading with your children throughout the 2022- 2023 school year!

Happy Summer Reading!

The Second Grade Teachers☺
