

# WE Volunteers

The recess program is in need of many volunteers to guarantee a safe and fun environment for our students. There are two lunch/recess periods in which volunteers are needed:

11:10am to 11:55am (5th through 8th grades)

11:55am to 12:40pm (K through 4th grades)

Volunteers can work their child(ren)'s grade, but depending on volunteer availability, you may have to switch in the rotation to ensure both recess periods have coverage. This will all be determined in the monthly schedule. Your commitment can be as little as one day a month!

All volunteers report to the Middle School to sign in and receive a badge with a designated area of the recess yard to monitor. Upon volunteering, there will be detailed instructions of your duties that will include walking students to playground, watching your assigned areas, lining up children, and putting away equipment. Dressing for the weather is important as you will be outside for the duration of recess. We determine outdoor recess no later than 11:00am.

The students love when their parents are involved at the school! This is an easy and time-efficient way to volunteer. If you work and are unable to make a monthly commitment, even one or two days during the school year would still be very helpful.

Below you will find a form in which you will indicate your volunteer commitment. Please mark down the number of times a month you would like to work, the day, and the grades your child(ren) are in. Each month, you will be emailed a calendar with your volunteer assignment. Please note, I like to keep the monthly assignments the same. For instance, if you are available on Tuesdays, I will give you the same Tuesday every month, (i.e. first Tuesday of the month).

Thank you in advance for your time and consideration! Many hands lighten the load, and we look forward to working with you during the recess hours!
